The **Indy PRO** are a cutting-edge True-Wireless Stereo earbuds with Active Noise Cancelling supported by 2 microphones integrated in each earbud. It offers a perfect uninterrupted immersive listening experience with isolation from noisy environment. Use the storage case they are supplied with to protect and recharge them on the move. A fully charged case allows, depending on the model, for up to 7 complete recharges of the earbuds and the super low power standby mode provides them with longer standby time. A special sensor will make sure the earbuds reconnect to your mobile device automatically as soon as you take them out of the case so they are ready to use as soon as you need them.
